Reporting Crimes and Emergencies on Campus

In the event of a crime or emergency in progress, or whenever there is a risk of harm to persons or property, employees, students, and visitors should immediately call 9-1-1 and/or notify campus security personnel.

Known or suspected violations of federal or state criminal laws should be reported to the Sandhills Community College Police Department.

Criminal incidents that occur off campus and involve students participating in a College function should be reported immediately to local law enforcement. If a student is involved, the incident should also be reported to the Sandhills Community College Police Department as soon as possible.
